

CMMI: Enabling Discipline over Heroics

Joe Schofield joescho@joejr.com

May 21, 2013

Topics / info / offerings for today:

- Abbreviated history of the CMMI
- Recent updates to the CMMI
- Process areas in the model
- Process areas in the service (SVC) model
- A closer look at a couple of process areas
- Myths about the model – what you and your sponsors need to know
- “yes” there are other models
- Warning signs with any model
- SCAMPI Appraisals – getting started or tracking progress
- Is project management killing your project? Here’s how!
- Chaos “lies, damn lies, statistics”
- “You don’t understand the status of your project until you understand the fidelity of your process.” - and why!
- Examples and impacts . . . You won’t believe your eyes . . .
- CMMI offerings \$1695, \$1395, \$1000, \$800 for three day courses
